WORDS OF WISDOM

The journey of a thousand miles starts with a single step. Football success is a long road, walked one day at a time.

Bounce up every time you are knocked down. Get up and get some more. It’s not where you are, it’s where you are going.

Be overprepared for the opportunity you wish to receive -- whatever it may be (starting, playing, etc.) it may come just once in your career. Be ready.

Leave your ego at the door.
“You want to get a little better? Work a little harder.” – Jerry Rice

“When it comes down to that moment, when it’s me against you, you know in your head whether you worked hard enough. You can try to lie to yourself. You can try to tell yourself that you put in the time. But you know – and so do I.” – J.J. Watt
