Dominick Blaylock	Walton	GA	2019	WR	6'0	170	Blaylock's big upside is he is a positive and productive young prospect. He catches the ball with his fingers and keeps it away from his body. Blaylock can play boths sides of the ball but projects as a confident receiver.

Justin Gibbs	Aquinas	GA	2017	WR	6'2	200	Gibbs is a big play maker with a big frame to match. He was not afraid to go across the middle and he uses his size to his advantage against smaller defenders. Gibbs is very confident in his offensie skills and his hard work and determination drive him. He currently holds 17 collegiate offers.		
Stavion Stevenson	Cedar Shoals	GA	2017	WR	6'3	211	I saw Stevenson at the Salem Game and then FBU camp. He has a height advantage that gives him leverage against smaller defenders. H.e makes plays and asks question on how to make him better. He currently holds 1 collegiate offer.		
Isaiah Pryor	IMG Academy	FL	2017	DB	6'2	195	A U.S. Army All-American, Pryor was the defensive MVP at camp. He does not say much, instead keeps his head down and works hard at improving his craft. Pryor is a confident cover corner. Recruiters are looking for taller corner backs and he has that advantage. He's a future NFL'er with a good mental state.		
Derrik Allen	Lassiter	GA	2018	DB	6'2	206	Another U.S. Army All-American, Allen has long arms and is an instinctive football player. He showed good hips on the running the line drill in back peddle and brake on different angles. Allen is very physical; he will really hit you. He does a good job using his hands.

Jamyest Williams	Grayson	GA	2017	DB	5'9	180	Antoher FBU Atlanta regular, Williams is a dynamic football player that can play offense or defense on the next level. He will likely play defensive back but he could be an immediate star as a return man on special teams as well. Williams is an electrifying All-American and currently holds 43 collegiate offers.		
Ryan Huff	Cedar Shoals	GA	2017	DB	6'1	187	Huff is long, rangy and a smart, confident football player. He has good instincts; always around the football because of his speed and quickness. He has a great reaction time. Although he holds 10 offers, he committed to Appalachian State.

Newton	GA	2017	RB	6'0	205	Taylor was my RB MVP and he won the Leadership Award for high school. He is big, strong and fast. He takes to coaching well and puts it in his productivity. Ball security is important to Taylor and he is ready for the next level. He's a verbal commit to Michigan, and regularly attends the FBU Atlanta Camp.

Kell	GA	2018	QB	6'0	177	I rated Turner the 2nd top quarterback. He was consistant, smart, hard working and takes coaching well. His best football is ahead.
North Gwinnett	GA	2017	OL	6'3	255	McGinn was the top OL at camp. He showed good balance and brings a punch with strong hand strike on the defender. McGinn moves feet on contact with a good, flat back stance. He has a lot of character and stays with the block.
