Connecticut
June 17-19, 2016

XOS THUNDERCLOUD RECRUIT

TOP PERFORMERS

FIRST	LAST	SCHOOL	ST	CLASS	POS	HT	WT	NOTES
Randy	Pringle	Christ the King HS	NY	2017	ATH-DB	6'1	165	Pringle is tall with long arms. He's physical in coverage and displayed the ability to track throws down field effectively. He played the ball well in the air, bringing down several difficult interceptions. Pringle is a dynamic player who could also be a candidate at safety and wide receiver.
Thomas	Nelligan	Bristol Central HS	CT	2017	DL	5'11	225	Nelligan won the HS Leadership Award at camp and is a true throwback player. He is tough, fast, plays low and comes off the ball hard. He played with an intensity that energized the other players around him. Undersized for a true nose like he plays for his HS, Nelligan shows the potential to transition to an ILB in college.
James	Baskam	Harborfields HS	NY	2017	LB	6'3	220	Baskam played LB in camp. He sports a nice frame suited to a DE/OLB with room for further development. He moved very well in space for his size. Baskam displays a burst in pursuit but will need to develop his angles to the ball. He has tremendous upside as a hybrid LB.
Siddiq	Muhammad	Christ the King HS	NY	2017	RB	5'10	207	Muhammad has a great combination of size and speed. He has speed longevity and shows a decisive burst accelerating through the hole. He is an aggressive blocker who was strong enough to extend and lift defenders off their feet.
Michael	DeGasperis	Briarcliff Manor	NY	2018	WR	6'0	175	DeGasperis was invited to the 2017 Army All-American Combine. He is quicker than fast and was the best technician at WR. He is a natural pass catcher who did a good job catching the ball away from his body. He was also very good catching the ball in traffic. DeGasperis has great change of direction skills routinely losing defenders out his breaks.
Malachi	Burby	Berlin	CT	2018	DL	6'2	225	Burby has a nice frame for development. He's a quick penetrator, uses quickness off the ball and active hands to exploit blockers.
Kyle	Zajack	Capital Prep	CT	2018	QB	6'1	189	Zajack showed a nice release with a quick, smooth stroke that produced a high spin rate. He combined good zip and touch. Zajack lead receivers well and did a good job laying the ball over the top of receivers.
Malkeim	Morrison	Iona Prep HS	NY	2018	DB	5'10	165	Morrison is a fluid athlete that can transition and recover quickly but was rarely caught out of position. He displayed good timing to knock balls away.
Micah	Brantley	Notre Dame-Fairfield HS	CT	2018	ATH (QB-WR)	6'2	194	Brantley has a very good height and weight combo on a chiseled frame. He was not the sharpest thrower in camp but composed throughout accuracy struggles. He took limited reps at WR and shined. Brantley is an explosive athlete who shows the potential to play multiple positions at the next level.
Andrew	Mullins-Grant	Selwyn House School	CN	2019	OL	6'1	322	Mullins-Grant was invited to the 2017 Army All-American Combine. He was the best overall lineman in camp. He has a thick frame and surprisingly demonstrated very good athleticism. He rolls his hips at contact and uses his hands well aggressively finishing blocks.
Christopher	Fowx	Ketchum HS	NY	2019	OL	6'5	250	Fowx has a massive frame with room for even more development. He used strong, active hands to turn defenders. Fowx improved on his quickness and his change of direction skills payed big dividends throughout camp.
Cameron	Polemeni-Hegerty	Harvey School	NY	2019	OL	6'2	304	Polemeni-Hegerty has a very good frame with room for further development. He is a strong, straight line blocker. He attached to defenders well with his active hands.
Tyler	Van Dyke	Suffield Academy	CT	2020	QB	6'3	175	Van Dyke possesses good height with a lean build. He sees the field well, working through progressions quickly. Van Dyke demonstrated the arm strength to make all the required throws. He did not force many balls or take many risks.
