NOTES

Jaylon Reed	Rayne HS	LA	2017	WR	6'1	190	Received the High School Leadership Award for the camp. He has made the move to receiver and is excelling at it, there was nothing he couldn't catch. He was always making great catches when he got behind the receivers. I thought highly of this kid before as a Quarterback, now even more so as a receiver. Get this kid on your radar.
Kirkland Foster	Newton HS	TX	2017	WR	6'1	170	One of many top performers at the receiver position. Tall rangy receiver with good hands. He works to the ball well.
Ramaj Moore	Dutchtown HS	LA	2017	RB	5'7	160	Solid built running back. He runs very nice routes, very precise. Has nice hands, and is able to make difficult catches. Very solid looking young man.
James Lofton	University Academy	LA	2017	RB	5'7	175	Very skilled running back. He catches the ball out the backfield well, runs nice routes, and has extremely soft hands. He also has one cut ability.
Spencer Gardner	Opelousas Catholic HS	LA	2017	OT	6'5	255	Nice size, good feet, and a great drive block. Watch this kid during his senior season.
Marquis Britten	Scotlandville HS	LA	2017	CB	5'11	163	He has a smooth back peddle. Marquis has great transition, and keeps his hips low. He works well to the ball and gets it at the highest point. He has nice man to man technique and never false steps or gets out of position.
Raymond Stevenson	Barbe HS	LA	2018	DB	5'9	162	Solid corner, was one of the top DB's at the camp. He is very good at man to man coverage. He gave top effort and did not allow himself to get beat. Very big upside on this young man.
Johnny Deculit	Rayne HS	LA	2018	DB	6'2	175	He has long arms and is very rangy. Very solid in the safety role. He moves decently down in the box, but looks more comfortable as a center fielder. With his size and long arms, if he got more reps at corner, he could make a living there.
Chris Lewis	Ouachita Parish HS	LA	2018	ILB	6'0	194	One of the top three Linebackers at the camp. Very good out in space in zone coverage. Also, he can play bump and run, in man to man coverage, with the slot receiver. Got better everyday during the camp. He plays with good quickness.
Brayden Adams	Barbe HS	LA	2018	LB	6'2	205	Solid Linebacker, one of the top at the camp. Earned an Army Combine invite for 2017. Had multiple interceptions during the camp. He was very solid in his pass dropping skills and his man to man coverage skills.
Darrell Hixon	Navarre HS	FL	2018	OT	5'9	229	One of the top Offensive Linemen at the camp. Great technician. This kid has great leverage and strength.
Kanyon St. Julien	Acadiana HS	LA	2018	WR	6'1	175	One of the top receivers at the camp. He made spectacular catches all camp long. Even in the muddy field conditions, he had great routes and cuts.
Jorien Vallien	Alexandria HS	LA	2018	WR	6'3	170	Winner of the Gatorade award, MVP of the camp. Long and rangy receiver. Very good speed. He has very nice hands, catches the ball away from his body. Runs great routes. Get this guy on your radar.

Michael Bobak	Kiski School HS	PA	2018	PK	5'11	190	MVP kicker of the camp. Strong leg with great accuracy. He continued to get better as the camp went along.
Dominic Brocato	Brother Martin HS	LA	2017	LS	5'10	225	Winner of the Long Snapper MVP of the camp. Very good accuracy and speed.
Chris Turberville	Spanish Fort HS	AL	2019	OL	6'1	240	Very solid, young Offensive linemen. One of the top OL at the camp. He had decent height, good technician, and was a decent leverage player. He has a good kick step in pass pro.
Eric Harper	Captain Shreve HS	LA	2019	OG	6'4	330	Very big frame but if he continues to work hard, he may have a bright future.
Thomas Perry	Teurlings Catholic HS	LA	2019	OL	6'5	300	Second year in a row I have watched this young man at FBU. He was a DL last year. He has made the move to OL look seamless. He is very big bodied frame, very nice, and quick feet. He has a nice kick step on pass pro.
Mark Patton	Malakoff HS	TX	2020	QB	6'4	190	Very tall, strong armed Quarterback. He was the best QB's at the camp, for both youth and High School. He was very knowledgeable about the game.
Brooks Miller	West Monroe HS	LA	2020	SS	6'1	178	Gatorade Award winner, MVP of the youth camp. This young man was one of the top DB's at the camp. Has a seamless transition from back peddle to run. He has all the intangibles you are looking for in a safety. He reads the QB well in zone coverage and has the speed to cover a lot of ground. He is very advanced of his knowledge of the game, at such a young age.
Ja'Darius Clark	Alexandria HS	LA	2020	WR	6'0	150	This kid was electrifying. He has very good speed and his route running ability is top notch. He won the FBU Leadership Award winner.
Jacobian Guillory	Alexandria HS	LA	2020	DL	6'3	332	He was the most dominant at camp. This kid is Varsity ready right now. His back is very wide, great looking frame. Get this kid on your radar.
