

FBU NATIONAL CHAMPIONSHIP

THE PATH TO NAPLES

2023 FBU National Championship Powered by KB3 Sports FBU heads to Naples, FL for Championship Week

WHAT

The 13th year of the annual Football University National Championship makes its return to Naples, FL on December 15-19 for Championship Week. The FBUNC is a one-of-a-kind national tournament celebrating and promoting youth football. It unites all-star athletes of all backgrounds from across the United States in a true national tournament. The only national football tournament of its kind, the annual FBU National Championship crowns a national champion from brackets in grades 6th, 7th, and 8th.

The 10U National Championship Tournament is back for the seventh straight year – with the age group expanding to 24 teams in the 10-and-Under age division. Teams from **twenty** states will battle it out for the chance to be crowned the official No. 1 team in the nation!

In addition, Championship Week in Naples will once again feature the Football University Freshman All-American Bowl, the premier underclassman All-American game showcasing the best 70 freshman football players in the country. 22 different states will be represented during this year's game – including nine players from the state of Florida!

In addition, for the seventh consecutive year the Paradise Coast will play host to the FBU Futures Showcase. This premier showcase event will feature elite athletes in 6th through 9th grade from across the country. Over 350 student-athletes will participate in laser-timed combine events and competitive drills. Participants will compete for invites to next year's FBU Freshman All-American Bowl in Naples, FL, UA Next All-America Game and National Combine.

WHO

The FBU National Championship is produced by Football University, America's premier football training and showcase event company -- the same company that helps identify athletes that participate in the All-American Bowl on NBC and National Combine in San Antonio, Texas.

This year, over 100 teams participated in the 6th, 7th and 8th grade divisions, with teams averaging over 30 players and 8 coaches per team. Teams are decided via tryout and not through league affiliation, meaning each team is represented by the absolute best talent in each region. The Middle School Tournament brings eight teams from each grade division, twenty-four teams total, to Championship Week by winning their regional. The 10U Tournament brings the top teams in the country from their age division to the Paradise Coast. There will be 50 teams represented in Florida's Paradise Coast at the world-class Paradise Coast Sports Complex during Championship Week. 10,000+ visitors will flock to Collier County in Naples, FL for the most renowned youth football tournament in the world.
