NAPLES, FL – Football University (FBU) announced today that it will be enhancing their camp series and executing their first ever FBU 7v7 All-Star National Championship Tournament in 2025. The FBU Regional Camp Series, which has been around since 2007, will be introducing multiple new elements in 2025 that focus on elevating the student-athlete experience. FBU will host 20 Camps in 2025 from March-June and student-athletes will now have the chance to receive the following:

- Enhanced Camp Schedule & Itinerary (8am-2pm)
- Verified Combine Testing powered by the UC Report (The Nation's #1 College Recruiting Platform)
- Official Combine Testing Leaderboards
- Official FBU Player Camp Rating & Star Rating
- Official FBU Player Camp Rating Leaderboards and Individual Post-Camp Player Cards
- Individual Position Development from NFL/NCAA Coaches and 1v1, 5v5 & 7v7 Competitions

Managing Partner of Football University, Steve Quinn, had this to say about the evolution of the FBU Camp Series, "As the Camp and Showcase space evolves, Football University will be evolving with it. FBU is moving to a camp model that allows us to rank athletes from our camps and compare these rankings on a regional and national level. We are still providing high level coaching from our NFL and college level coaches to continue developing student-athletes across the country. We are excited about offering Combine Testing to our participating student-athletes, with results for 8th-11th graders going directly on to the UC Report for college coaches to review. On top of this, we will still be inviting top performers at all of our camps across the country to attend our FBU Top Gun Showcase on June 19-22 in Naples, FL. FBU Top Gun is the biggest 3-day football showcase in the country and is where we will choose athletes to participate in the Freshman All-American Bowl, UA Next 8th Grade Game, Navy National Combine and Navy All-American Bowl on NBC."

Additionally, in 2025, FBU will be launching the inaugural Football University 7v7 All-Star National Championship Tournament. This tournament will consist of 7 Regional Qualifier Events from March-June, with the Championships Rounds taking place June 16-17 in Naples, FL at the Paradise Coast Sports Complex. Participating Teams will be put together in markets across the country and available to the 12U, 14U and 15U age groups. Players will receive Jerseys, Gloves, and a minimum of four games at every regional event next spring.

"We are excited to be rolling out our FBU National Championship 7v7 Tournament," stated FBU Managing Partner Steve Quinn. "This event will be closely modeled after our FBUNC Middle School Tournament, with many of our current team directors putting together these 7v7 all-star teams. This tournament will give more athletes the chance to compete on a regional level culminating with winners advancing to Naples, FL on June 16-17 to play for a national championship."
